

eca ^{1,602 x 10⁻¹⁹} **3G**

Perfect Ground System

(US Patent No 7,652,865 B2)

Perfect Lightning Surge Protection

- 3,855 proven sites for 16 ys with 99.88% success protection
- Widely adopted for national security facilities protection

Advanced DC Decoupling Device

- enable Instant Off potential measurement
- class I lightning surge protection
- no internal corrosion

Advanced DC Decoupling Device

(Co-developed with KOGAS, patented)
